Innovation, quality produce and unrivaled service

Originally started in 1977 as a smaller farming operation, Dale Bone Farms grew into the largest cucumber shed on the east coast. In 2006, a group of experienced tobacco and sweet potato farmers recognized the need for a distribution facility. They purchased the operation and formed Nash Produce. The soil and climate in eastern North Carolina provide the perfect environment for growing the world's best sweet potatoes and pickling cucumbers.

Today we are proud to be a leading supplier in the industry with a focus on inno-

vation, quality produce, and unrivaled service. We consider ourselves front-runners in a constantly evolving fresh produce industry. Staying ahead of the latest food trends, technological advances, and food safety initiatives ensures Nash Produce delivers quality service for our clients.

Our prime location (1 mile off of Interstate-95), year-round product, committed family of employees, and deep-rooted relationships with our grower base gives us the capability to dependably serve retail, food-service, and processors in the industry.

Carolina Family Health Centers

Providing healthcare in the community...for the community

The mission of Carolina Family Health Centers, Inc. is simple; providing accessible and affordable healthcare with excellence where patients come first. Their motto is "In the community...for the community" and they stand behind it every day.

For more than 25 years, Carolina Family Health Centers has provided comprehensive, culturally-competent and cost-effective healthcare in Edgecombe, Nash and Wilson counties. Today, Carolina Family Health Centers operates four locations, with health centers in Wilson, Tarboro and Elm City and a dental center also in Elm City. They served nearly 24,000 patients in 2021, an almost 50% increase over the past 5 years. These 24,000 patients generated more 71,000 services visits for medical, dental, behavioral health, substance use disorder, and enabling services.

Carolina Family Health Centers provides services for patients from all walks of life. As a community health center, also known as a Federally Qualified Health Center, Carolina Family Health Centers is a private, nonprofit, patient-governed, community-directed organization that removes common barriers to care by serving communities whose residents have historically experienced financial, geographic, language, cultural or other barriers to receiving care.

A broad scope of healthcare services is offered to patients of Carolina Family Health Centers. Services available include primary care, immunizations, adult medicine, pediatrics, gynecology, behavioral health, dental and pharmacy. Insurance counseling, spe-

cialty referrals, medication delivery and transportation are also services offered. As a Ryan White grantee and a migrant health center, Carolina Family Health Centers has a special focus on patients living with HIV and AIDs and migrant and seasonal farmworkers.

All four centers accept patients with insurance, but also accept patients who are underinsured or who have no insurance. Patients can apply for the Sliding Fee Discount Program which is based on household income and the number of dependents in the household. Depending on where the patient ranks on the scale, their medical fees for services may be reduced.

Carolina Family Health Centers also participates in Medicaid Managed Care – the newly transformed way of delivering care to Medicaid beneficiaries where individuals enroll in private insurance plans and select their own, or are assigned to, primary care providers (PCP).

In response to the COVID-19 pandemic, Carolina Family Health Centers is offering COVID-19 testing and vaccines.

For more information on services provided by Carolina Family Health Centers, visit <http://www.cfhcnc.org> or call 252-443-7744. For COVID-19 vaccines, call 252-243-1257, and for testing, call 252-243-9800, Option 0.

Super Flame Gas Company

Hugh Brinn, Angie Ayscue, Chris Thomas, Debbie Hardy, Jeff Wade, Ray Brinn, Jesse Brantley

“Your Hometown Propane Company For 70 Years”

Looking to diversify Stalling Oil Company's thriving business, Hugh Shearin and his wife, June Stallings Shearin, bought 19 100 lb. propane cylinders for cooking gas in 1952. With the support of Mr. A.R. Stallings, June's father and company founder, the new propane operation, Super Flame (named by A.R.'s wife, Mabel) was born. June handled the books. Hugh served as Vice President, delivery man and service technician. Dedicated employees met the demands of a growing community of loyal customers. Sons-in-law Ray Brinn (President) and

Brad Bobbitt (Vice President) now lead the company which prospers as a provider of propane gas for a variety of residential customers. Ray's son, Hugh, also helps lead Super Flame as Manager.

As Superflame begins its 70th year, Ray is thankful. “We’ve been blessed with an opportunity to serve and the potential to do even more. We thank our customers and look forward to developing even more relationships in the future.”

An Everlasting Memory

An Everlasting Memory Monument Company is locally and family owned and operated by Michelle Viverette-Strickland.

Michelle established the company in 2006. The following year, she expanded to a larger location on Winstead Avenue. Michelle has been in the monument industry since 1988.

An Everlasting Memory has an inside and outside showroom that features all types of markers, monuments, and more.

"We have many choices from which to choose—granite available in different colors, marble or bronze markers, monuments, ledgers, benches, vases, mausoleums and urns," adds Michelle.

Michelle states, "We are here to serve families in need of a lasting tribute for their loved ones. When you walk into our office, we want you to feel like you are with family in an environment that makes you feel like you are in your living room."

Our company offers many different pay plans, one certain to meet every family's need.

Michelle Viverette-Strickland

"By taking out the middle man and going to our monument company, it not only saves the family money, but they are able to really personalize the memorial, by talking to professionals that have used all the tools to help with the personalization of the design instead of using standard designs."

AEM feels blessed to be able to donate a number of markers and monuments each year to families who can not afford to purchase a memorial.

"The most rewarding part of owning AEM," Michelle concludes, "is meeting people and establishing lasting relationships. My goal is to

provide excellent service as well as give back to the community."

AEM is also honored to be the 2018 and 2019 Readers Choice Award Winner, as well as the 2017 Readers Choice Award Runner Up.
