## The best place for your best days

Bethel Villa of Nashville offers many amenities and features to help you feel at home.

Diane Hultzman, owner and operator, built the facilities on 222 and 223 Lumber Street in 1997. For a period of time the establishment was operated by another management company, however Hultzman returned in 2022.

She remodeled and reopened as Bethel Villa offering seniors an independent living facility with services for seniors who need minimal assistance.

Residents have 24-hour supervision and assistance with many other amenities.

"We assist them with their medicine. We help them with their showers. We do their laundry. We prepare their meals. We take them to their appointments. Anything that

they need us to do, we do for them," Hultzman said.

A company van is used when transporting the seniors to outings including grocery shopping and hair appointments, Hultzman said.

Residents are offered a variety of mind stimulating activities including crocheting, exercise classes and

bingo.

Staff members have over 20 years experience in senior care and follow all state and local guidelines for COVID-19 including masks worn by staff and visitors, temperature and symptom checking before entering the building.

## “Your Hometown Propane Company For 70 Years”

Looking to diversify Stalling Oil Company's thriving business, Hugh Shearin and his wife, June Stallings Shearin, bought 19 100 lb. propane cylinders for cooking gas in 1952. With the support of Mr. A.R. Stallings, June's father and company founder, the new propane operation, Super Flame (named by A.R.'s wife, Mabel) was born. June handled the books. Hugh served as Vice President, delivery man and service technician. Dedicated employees met the demands of a growing community of loyal customers. Sons-in-law Ray Brinn (President) and

Brad Bobbitt (Vice President) now lead the company which prospers as a provider of propane gas for a variety of residential customers. Ray's son, Hugh, also helps lead Super Flame as Manager.

As Superflame begins its 70<sup>th</sup> year, Ray is thankful. “We’ve been blessed with an opportunity to serve and the potential to do even more. We thank our customers and look forward to developing even more relationships in the future.”

## Serving Nash County since 2007

*We celebrate the life of your loved one*

We’ve learned a lot over many years. Like how to present options without overwhelming. And how to meet the needs of many caring parties. People come to us in difficult times, and we respond with kindness, calmness and expertise. Our goal is to create a beautiful occasion and make you feel welcome, always. We spend our days planning with families. We stay up to date with industry developments. And we make hard times a little easier.

Ever since we opened our gates in 2007 we have approached life (and death) differently.

While some just see the end of a loved one's life as a time for grief and mourning, we prefer to think of it as a time for reflection, appreciation and even celebration. This is evident in everything we do, from the way we conduct our services to the amenities we choose to offer. We are not a burial ground. We are a close knit community dedicated to honoring, sharing and preserving the amazing and inspirational stories that are life.

The Harrison Family YMCA in Rocky Mount, NC is a charity organization here to strengthen the communities they serve in Nash and Edgecombe Counties. Focusing on youth development, healthy living, and social responsibility, this organization is truly a special place for all, with many programs available and financial assistance opportunities.

As a non-profit community organization, the YMCA works hard to ensure that everyone, regardless of age, income, or background, has the opportunity to learn, grow, and thrive. The YMCA funds its operations from membership and program fees and they raise charitable funds to support community outreach, help those in need, and continue to serve all.

Throughout the year, the YMCA has focused on rebuilding from the pandemic and emerging stronger to create a safe and supportive environment for all. Through continued member, donor, and community support, the Y has distributed food to families in need throughout Nash and Edgecombe county, cared for many children through childcare programs, partnered with the American Red Cross to host much needed blood drives, and more.

Together, we emerge stronger by supporting our youth in learning and development, advancing health equity to those in the YMCA and in our community, and ensuring access for all to YMCA programs, memberships, and services.

Battle's son-in-law, Edward R. Hines until he left Rocky Mount in 1922. Mrs. Alice Battle allowed her nephew, H.S. Sorrell to operate the funeral home as Sorrell's Funeral Home until his death on September 9, 1936.

W.H. Hunter changed the name of the business to Hunter's Funeral Home. He operated the funeral home until he

sold the business in 1980 to Mr. and Mrs. James E. Odom, who operated the funeral home under the name of Hunter-Odom Funeral Service.

## Fun ways to enjoy the great outdoors with kids

The great outdoors can be an inviting place with plenty of opportunities for adventure. It's also a treasure trove of sights and sounds that can serve as a springboard for a lifelong yearning for knowledge.

Children of the 1980s and before may remember long days spent outside with requirements to "come back in when the street lights turn on." Today's children may not have as much freedom, but they still can benefit from both unstructured and structured play outside. The following are some outdoor activities families can enjoy together.

- **Fossil hunting:** Whether there is a natural fossil bed nearby or not, children can use plastic colanders and shovels to dig in the dirt or sand to see if any treasures can be found.

- **Collect and paint rocks:** Collect stones and then paint them with vivid designs or sayings. Once painted, families can place them back into their natural surroundings for others to discover.

- **Make a nature collage:** Take a hike or a stroll through a nearby park and collect little treasures along the way. Glue these items to a piece of cardstock or cardboard to create a collage that will serve as a memento of the day.

- **Run through a sprinkler:** Pools can be great fun, but something as simple as a garden sprinkler can keep everyone occupied for a few hours.

- **Visit a botanical garden:** Tour a near-

by botanical garden to get an opportunity to see flowers and plants that may not be native to the area. Bring sketch pads and draw your favorite plants.

- **Go camping:** Whether you camp in the backyard, in the woods or at a campsite, spending a night immersed in nature can be an unforgettable experience. Camping equipment can be rented or borrowed, if necessary.

- **Enjoy a picnic:** Bring a meal outdoors to a quiet spot, like a park or garden.

- **Take a boat ride:** Enjoying the great outdoors from the water brings an entirely new perspective. Purchase tickets for a fishing charter or take a tour of a local waterway.

- **Feed ducks or other birds:** Children can see wildlife in its natural environment, and provide some supplemental nutrition in the process. Bring along wild birdseed (bread is not a healthy option) and sprinkle some along shorelines or in the water to watch the birds arrive.

- **Do a scavenger hunt in nature:** While on any excursion, you can engage in a scavenger hunt. Have a list of five to 10 items to find, such as a pink flower, a leaf with a stem and a black rock. See who can find them all the fastest.

Spending time outdoors provides plenty of opportunities for family-friendly excitement and fun.

It was 1973 - Richard Nixon was president. On television, Americans were watching "All In The Family," "Columbo," and "The Waltons." At the movies, "The Godfather," and "Cabaret." And on the radio, they were listening to "Delta Dawn" and "Yellow Ribbon."

In December of that year, Western Sizzlin opened on 301 ByPass in Rocky Mount. The restaurant is now marking its 49th anniversary.

Since the grand opening, the store

has remodeled 7 times. However, in the spring of 2020, Western Sizzlin underwent a total facelift, New floors, new booths, new tables, new chairs, new everything!
